## ***CALIPER CORE RETURN GUIDELINES***

To receive full Caliper Core credit, the caliper(s) you are sending back must be in rebuildable condition and complete along with the Caliper Core Return Form. The Caliper Core Return Form must be filled out properly with your name, date, and order number. No core credit will be issued, if the form is not included or if any of the conditions below exist. (Some example pictures are below, if you are unsure about the condition of your core calipers and/or brackets, please contact Caliper Coating Rehab, LLC and we can assist you in determining the condition)

- Excessive rust and/or corrosion**
- Damage to caliper bodies & brackets**
- Bent, broken or scarred caliper bodies**
- Damage to piston bores & slide pin holes**
- Missing mounting brackets, park brake levers, cable guides, springs**

### **\*\*Some exceptions include\*\***

(Contact Caliper Coating Rehab, LLC if your calipers have any of the following damage as they may result in a lesser core value or refusal)

- Damaged bleeders and or bleeder threads**
- Damaged mounting threads**
- Crossover tubes and/or tube threads**
- Brake line inlet threads**
- Frozen or broken bolts & slide pins**
- Damage to caliper bodies & brackets**
- Scarred caliper bodies (By wheel or rotor)**
